

CV

Fredrik Meyer

August 21, 2015

1 Education

- Bachelor degree in Mathematics and Informatics at the University of Oslo.
- Master degree, same place.
- Now doing a PhD, same place.

2 Courses and summer schools

- “Syzygies in Berlin”, summer school 2013. Berlin.
- “Summer school in algebraic statistics”, 2013. Nordfjordeid, Norway.
- “Toric degenerations and mirror symmetry”, 2014. Nordfjordeid, Norway.
- “An Interdisciplinary Approach to Tensor Decomposition”, 2014. Trento, Italy.
- “Nordic Summer School in Algebra and Geometry”, 2015. Summer school on different topics in mathematics and physics. Tjärnö, Sweden.
- “Lie Groups and pseudogroup actions: From classical to differential invariants.”, 2015. Nordfjordeid.

3 Publications

- Working on this. See my webpage folk.uio.no/fredrme.
